

Health Care Community Discussion

Focus: Women's Health, Reproductive Health Care

Katie McCall, Women's Community Clinics; Maya Ingram, Planned Parenthood Golden Gate
Planned Parenthood Federation of America

Agenda

- Welcome
- Introductions and Icebreaker
 - Why is the issue of women's health care important to you?
- Group Agreements

Questions:

- What do you see as the biggest challenge in the health care system?
- How do you choose a Health Care provider? What factors influence your decision?
- What has been your own experience in accessing reproductive health care?
- Where do you rank reproductive health care in a discussion of health care reform?
- What types of health care services do you think should be included in basic preventative health care?
- Has the cost of health care ever been a factor in choosing where or if you get services?
- Whose role do you think it is to provide health care? Employers, government, or individuals? And what role should policy makers play?
- How can public policy promote healthier lifestyles

Conclusion

- Group Photo
- Participant Survey
- Closing: Thank you!
